## What is Bronco Cup?

---

Bronco Cup is a series of team events taking place during Homecoming week to promote campus spirit and is a great way to build community with friends, students, faculty and staff.

Bronco Cup features different events each day throughout Homecoming Week where teams will have the opportunity to receive points or just participate for fun.

You earn points by attending and performing well at each event listed on the following pages. The team with the most points at the end of the week will be Champions of the Bronco Cup! They will have their team name engraved on a traveling trophy, receive a grand prize for their teammates, be honored at the homecoming football game, and receive a place of honor in the Homecoming Parade on Saturday, Oct. 15th!

## Alcohol, Dress Policy, & Respect

---

Anyone who has been consuming alcoholic beverages will not be permitted to participate or watch any Bronco Cup event. Bronco Cup is a week of fun-filled events that can be experienced without any type of drug or substance. If a person is visibly intoxicated, they will be nicely asked to leave the venue.

Proper attire will be expected out of every participant and attendee at any Bronco Cup event. Anyone dressing inappropriately will be asked kindly to leave the venue. Dressing up for certain events is more than welcomed, especially theme-related costumes.

Respect will be expected out of every participant and attendee at any Bronco Cup event. Disrespectful behaviors, inappropriate comments, and/or rude comments will not be tolerated. Bronco Cup is a fun experience with the sole purpose of celebrating Homecoming week at Boise State University. Be proud of being a Bronco and show that pride respectfully to other members in the community.

Organizations with more than 8 members are welcome to form multiple Bronco Cup teams. However, organizations are also allowed to substitute different participants for each event in Bronco Cup. Organizations with less than 4 members are still eligible to receive full participation points as long as they participate in the event. If one organization decides to host multiple teams, they are required to make one parade float as an organization. Each team represented by that organization will receive the participation points for their team. For all the other events of Bronco Cup, teams will be judged individually.

# Point System
